Dear Sir:

In response to the Office Action of October 29, 2002, please amend the above-identified
Application as follows:

IN THE SPECIFICATION:

The specification has been amended as follows:

1 Page 11, Line 20, through Page 12, Line 5:

2 The spacer 13 is made of a synthetic resin material which is compatible with the molding
3 material injected into the molding spaces 4a and 4 b and has a melting point equal to or below a
4 molding temperature of the molding material injected into the molding spaces 4a and 4b. For
5 example, in the illustrated embodiment, the molding material injected into the molding spaces 4a
